MEMORANDUM

To: OIR/PIRS - Mr. Penniman

Subject: Request for Comments on Research Reports Completed by [redacted]

50X1

The only one of the [redacted] studies mentioned in your memorandum of September 9 that I have seen is [redacted]

50X1

50X1

This study had a limited and quite practical objective: to provide background and working guidance for those actually engaged in [redacted]

50X1

50X1

I should say that the only worthwhile evaluation of the study would come from such people. For what it is worth, however, my own reaction was that the study was well done and should prove to be of considerable value to persons working directly with [redacted]

50X1

As of possible interest, I attach a letter of October 21, 1952 from [redacted] commenting on the study. Please return this letter when it has served its purpose.
